

Attorney Docket No. LEAP:130US  
U.S. Patent Application No. 10/811,336  
Reply to Office Action of September 12, 2005  
Date: October 7, 2005

### Remarks

The Examiner has set a restriction requirement in the above case. Applicants have elected **Group I – Claims 2-6, 9-13, 15-16, and 19-24** from class 359, subclass 383 for examination on the merits without traverse. Applicants expressly reserve the right to request examination on the merits of Group II- Claims 7-8 and 17-18, class 359, subclass 392 at a later time.

Applicants recognize the Examiner's designation of Claims 1 and 14 as generic claims. Applicants understand that Claims 1 and 14 will also be examined on the merits and if found allowable, the restriction requirement will be removed and all claims from both groups will be examined on the merits.

Respectfully yours,
